Print Cust. Aging

PROGRAM NAME: ARREPO
MENU OPTION TITLE: Print Cust Aging
MAIN MODULE: CUSTOMER CREDIT RPTS
SOURCE CODE DATE: 06/04/92
HELP KEY ACTIVE: NO

PROGRAM OVERVIEW

This program generates a customer summary accounts receivable aging report with a 30-day summary and grand total of all accounts receivable.

NOTE: You must first run the program "Print Out Statements/ARSTATE" to calculate all balances.

PROGRAM OPERATION

ENTER PRINTER # TO USE: You are prompted to specify the output as set up in the printer file. A message will appear on the bottom of the screen that will tell you that this report will need condensed print and wide paper. You be prompted "Is this information correct <Y/N>"?
