PROGRAM OVERVIEW

This program allows you to change a group of customer's notes at the same time.
(What else goes here?)

PROGRAM OPERATION

SYSTEM NOTE #1:
SYSTEM NOTE #2:
SYSTEM NOTE #3:
SYSTEM NOTE #4:
SYSTEM NOTE #5: These five lines show you the current system notes as per the master system file.

NEW NOTE #1   :
NEW NOTE #2   :
NEW NOTE #3   :
NEW NOTE #4   :
NEW NOTE #5   : To change these notes, you must type one of the following choices next to the corresponding line.

<1>   Move line 1 from the system notes to this line.
<2>   Move line 2 from the system notes to this line.
<3>   Move line 3 from the system notes to this line.
<4>   Move line 4 from the system notes to this line.
<5>   Move line 5 from the system notes to this line.
<8>   Create a custom note on this line.
<9>   Leave line as is.

If you wish to delete a line from the notes without adding other text, simply <ENTER> past that field without typing a number.

BEGINNING CUST#:
ENDING CUST #: Enter the first and last customer IDs you wish to change, or <ENTER> for all.

BEGINNING GROUP:
ENDING GROUP: Enter the first and last groups you wish to change, or <ENTER> for all.
