<u>Selling Price Comparison</u>

PROGRAM NAME: INCOMPRE
MENU OPTION TITLE: Selling Price Comparison
MAIN MODULE: PARTS/RPTS FINANCIAL
HELP KEY ACTIVE: NO

<u>PROGRAM</u> <u>OVERVIEW</u>

By part number, you can view your pricing schedule for all inventory items. We show all three levels of selling price (Wholesale, Dealer, and Retail) and Gross Margin for each. Total cost per part is calculated by adding Finished Cost to Value Added Tax Cost. Both of those columns are also displayed.

<u>PROGRAM</u> <u>OPERATION</u>

SELECT REPORT GROUP or RETURN FOR ALL: Grouping codes are another way some companies segregate and track their inventory. Select a valid grouping code if your company uses this handy tool; otherwise press <RETURN> to run the report for all inventories.

NOTE: THIS REPORT REQUIRES EITHER WIDE PAPER OR CONDENSED PRINT:
This is just a message to tell you the best device to use to get an easy to read printout.

After pressing <ENTER>, follow the directions on the screen for a successful printout and you will be taken back to the options menu {PARTS/RPTS FINANCIAL}.
