

Part Labels 1X3"

PROGRAM NAME: INLBPR

MENU OPTION TITLE: Part Labels 1X3"

MAIN MODULE: PARTS MAINTENANCE

HELP KEY ACTIVE: NO

PROGRAM OVERVIEW

This program will print a 1X3" label. You can print multiple quantities of labels for a single part.

PROGRAM OPERATION

PART #: < >: Enter a valid part number. If you don't know the part number, use <IFF> to help you locate it.

PRICE SHEET/LABEL DESCRIPTION: Any information in the {PRICE SHT DESC} field of the <INPRTGUT> screen will be displayed in this area.

NUMBER OF LABELS TO PRINT: The prompt will display <1> as the default. You can print up to 999 labels, but for conservation, do not make more than you need. Once you press <ENTER>, the cursor will jump back up to the {PART #: < >} field and clear the screen so you can enter more part numbers. When you want to exit the program, press the <ESC> key.
