

## **Parts Shipped by one Yard Code**

**PROGRAM NAME:** MASTRLNH

**MENU OPTION TITLE:** Parts Shipped by one Yard Code

**MAIN MODULE:** ORDERS SHIPPED REPORTS

**HELP KEY ACTIVE:** NO

### **PROGRAM OVERVIEW**

This program generates a report of sales by part number by a specific yard code. You can analyze the effectiveness of a specific marketing program down to the type of product sold as well as gross dollars. You may find certain efforts are working well for some products and not so well on others. This will help you better understand the use of advertising and sales dollars and how to wisely spend!

### **PROGRAM OPERATION**

**Select records by YARD matching:** This would be the Advertising yard code. You must type in a valid yard code.

**Select records by SHIPDATE greater than or equal to:** All orders before this date will not be included in this report.

**Select records by SHIPDATE less than or equal to:** All orders after this date will not be included in this report.
