

Review Completed RMA's

PROGRAM NAME: RAHIST1

MENU OPTION TITLE: Review Completed RMA's

MAIN MODULE: RETURN MERCHANDISE PROCESSING

SOURCE CODE DATE: 02/13/92

HELP KEY ACTIVE: YES

PROGRAM OVERVIEW

This program is used to view all archived RMA's. An archived RMA is an RMA that has been completed and moved to history. NOTE: The RMA must be completed and moved to history to be viewed. You cannot edit an archived RMA.

PROGRAM OPERATION

RMA#: You can type in the exact archived {RMA#}, or use <IFF> to find the correct record. When you find the correct record, all information saved in the RMA will display.

Press RETURN to continue

Do you want to see the detail <Y/N>? If you answer <N>, the screen will clear and the curser will be back at the {RMA#} field. If you answer <Y>, the second screen will appear with all of the details of the RMA.

<S>ee More or <Q>uit?

Press RETURN to continue"
