

Print Out Packing List by Cust

PROGRAM NAME: ROCKER3

MENU OPTION TITLE: Print Out Packing List by Cust

MAIN MODULE: Sales/Order Entry

HELP KEY ACTIVE: YES

PROGRAM OVERVIEW

This program allows input of order numbers to be reprinted into a spool file {Spoolpak}, and then reprints the packing lists from this spool file, sorted by order number. This program uses the same spool file as invoice reprinting {Invoice}, and should not be run at the same time.

PROGRAM OPERATION

ENTER A BEGINNING NAME: Enter a valid customer ID.

ENTER A ENDING NAME: Enter a valid customer ID.

ABOVE CORRECT: <Y>

Press a key when you have a printer assigned and order forms loaded and ready to go. To abort, type a <Q>.

Did it line up ok? Enter <Y> if it is lined up or <RETURN> for another try.
