Mark An Inv. Tag Batch Checked

PROGRAM NAME: TAGCHECK
MENU OPTION TITLE: Mark An Inv. Tag Batch Checked
MAIN MODULE: YEAR END INVENTORY
HELP KEY ACTIVE: YES

PROGRAM OVERVIEW

This program marks each tag in a specific batch as checked. This report should only be run after the batch of tags has been checked and OK'd. If there are errors on any tags in this batch, DO NOT RUN THIS PROGRAM. All errors must be fixed before you mark the batch as checked.
