PROGRAM OVERVIEW

==(What goes here?)==

PROGRAM OPERATION

Include (A)ctive, (P)rojected, (B)oth: This field is automatically loaded with <B>. If you want only active or projected, enter <A> or <P> respectively.

ENTER CUTOFF DATE FOR PROJECTED WOs: This message will come up only if you entered <B> or <P>. Enter the last date you want shown for your projected work orders.

Select (M)aster, (S)ub, or (I)gnore the flag? <I> is automatically loaded. ==(What goes here?)==

Is this correct?
