<u>Parts On Order</u>

PROGRAM NAME: WOONORD2
MENU OPTION TITLE: Parts On Order
MAIN MODULE: PURCHASE ORDER BUYING SYSTEM
HELP KEY ACTIVE: NO

PROGRAM OVERVIEW

This program generates a report of parts on order per part number. You can specify parts on order per work orders, purchase orders or both.

PROGRAM OPERATION

PARTNM: Enter the part number to generate the report on. This field is indexed. Use <IFF> to look up a valid part number.

INCLUDE ORDERS FROM WORK ORDERS, PURCHASE ORDERS, OR BOTH (W/P.B): Enter <W> to print only parts on order by a work order.

Enter <P> to print only parts on order by a purchase order.

Enter <B> to print parts on order by purchase order & work order.
